

TOGETHER WE CAN BUILD A BETTER US

The Fox Valley Family YMCA would like to give a heartfelt **THANK YOU** to those who have helped ensure a brighter future for Kendall and DeKalb county children, families, and seniors through their generous donations to our YMCA, Kendall County's largest public charity.

The following list of donors have given a 2015 gift of \$100 or more in donations, grants, or in-kind services that will go toward helping young people achieve their potential, empower people of all ages to lead healthier lives, and to strengthen the bonds of community.
